DUNE DOWNERS

Head out from camp just before sunset and work your way towards the northern dunes of Wizard Island. After a short scramble you will be rewarded with breathtaking views across the blue lagoon. Take in the view as you enjoy a cold beverage and snacks as the evening begins.

DE-TACKLING DRINKS & SNACKS

Every Wednesday guests join the AFC guides and team at the entertainment area for a social de-tackling gathering. The guides detackle and guests enjoy drinks with fellow nature, fishing and diver partners celebrating the week's achievements.

KAYAKS & STAND UP PADDLE BOARDS

Kayaks and stand up paddle boards are a perfect and non-intrusive way to get up close to turtles and rays around the flats and allow guests to enjoy Cosmoledo from a new perspective. A guided tour by nature experts who will point out seabirds and spot fishermen's delights such as bonefish, permit and triggerfish. A picnic basket in the form of a Yeti Cooler can be organised for the guide to carry along, enabling them to choose a spot for you to enjoy a secluded meal or snack.

IN-ROOM SPA SERVICES**

Our qualified masseuse works magic on tired bodies in need of special attention or simply those just wanting to indulge. From head and shoulders to full body massages we are able to tailor treatments to the individual. Special packages such as the fisherman's massage, concentrate on key sensitive points to ensure you are left feeling rejuvenated.

WIZARD ISLAND TOUR

Join a guided tour across Wizard stopping at major landscapes and seascapes for guests to familiarize themselves with the coastal trails and most secret spots on the island. Cross the open grassland and venture through the scrub to scale the impressive sand dunes and be rewarded with a panoramic view of the atoll. During the tour guests will be informed about the early working life on Cosmoledo and the collection of guano, turtle and birds eggs and meat. Identify birdlife, fish and plants as you see every corner of the island with our knowledgeable guides. If you are lucky you may spot a nesting hawksbill or green turtle on the white sand beaches close to the Camp.

REEF FLATS EXPEDITION

Travel the inside reef flats of Cosmoledo with a knowledgeable and insightful guide. On this expedition guests get to appreciate the untouched view of the white sand, rich seagrass beds and crystal - clear waters whilst spotting juvenile turtles, eels as well as crabs, and molluscs deep in the sea grass, under rocks and squeezed into crevices in the reef platform.

ATOLL EXPLORATION EXCURSION

Join our guides on an adventure like no other, learning, exploring and discovering all that the vast sand flats dotted with over 20 islands, islets and cays of various shapes and sizes, have to offer. This is a full or half day excursion and you are able to decide how far and wide you would like to explore this magical atoll. Be prepared to have encounters with a variety of shark species and turtles. By visiting several islands you will be guided through skies, vegetation and waters filled to the brim with birdlife and learn about the reproductive cycles of globally and regionally important breeding populations. On land try your luck at spotting a range of birds endemic to this atoll group.

MENAI MANGROVE NATURE WALK

Take a half or full day excursion across the lagoon to the mangroves on Menai island. Skirt the edges of this huge mangrove forest and learn about the many different species of mangroves. This is a top spot for bird-watching, particularly red - footed boobies that roost in the tree tops. Among the roots and trunks look for red mangrove crabs and see if you can find the huge blue mangrove crabs. As the tide pushes in and around the trees do not be surprised if a curious sicklefin lemon shark lurks waiting for small prey to leave the shelter of the mangrove.

SNORKELLING

Non-divers may also experience the beautiful, enchanting marine life by partaking in guided snorkelling trips and can opt for the calm lagoon or explore the outer reefs. Snorkelling equipment is complimentary and is available for all guests to use. The abundant and colourful sea life sights are not to be missed.

BLUE SAFARI

Cosmoledo acts as a home and stopping spot for a variety of cetaceans including spinner dolphins and occasional melon - headed whales, Risso's dolphins, bottlenose dolphin and beaked whales. During this trip you may also spot manta rays, tuna, mating turtles and many other marine species. While exploring don't forget to look to the skies for interesting seabirds wnot always easily seen elsewhere.

FLY FISHING**

Cosmoledo has become known as one of the best Giant trevally fisheries in the world and has become the benchmark for anglers searching for an outstanding saltwater flats fishing experience. The sheer numbers and variety of fish species has amazed the fly fishing world, with anglers from across the globe queuing up to sample this ultimate fishing playground. Try your hand on a full or half day of fly fishing in search of the various species Cosmoledo has on offer.

BLUEWATER FISHING**

Experience unparalleled offshore fishing adventures in the unspoiled waters of Cosmoledo, where you can target sailfish, wahoo, dogtooth tuna, yellowfin tuna, and dorado. Whether you're looking for a full or half day, seize the opportunity to reel in these prized catches. Ensure availability by pre-booking your bluewater fishing trip.

SCUBA DIVING

Take to the reefs that few others have ever been to dive and explore the vast amount of coral reef on offer. Enjoy some of the most rich and diverse areas of coral reef found anywhere in the Seychelles. Expect to see snapper, grouper and reef fish in great abundance and huge sizes as well as a good supply of pelagic species and high chances of shark encounters. Cosmoledo is suitable divers with advanced or higher qualifications. All diving must be pre booked with the Blue Safari reservations team.
